

ALICE

Music by Denis Gougeon and Yves Daoust

Technical requirements (quintet)

Total darkness is required during the show

Alice, an Arsenal à musique's production, involves one actress, two soloists, a quintet and video with animated sequences on a projection scrim.

Audio and lighting boards must be in the house not in booth.

Sound

A good quality house PA is required for this performance. It should have adequate speakers to cover the entire hall.

- 1 board with a minimum of 16 mono and 2 stereo inputs, two main outputs and three auxiliary outputs
- 2 stage monitors
- 8 direct-boxes, enough XLR's
- 3 microphones (Beyer 803C or equivalent)
- One compressor with 8 channels
- All necessary cables
- One noise gate
- 2 AC circuits of 15 amps for the instruments on stage

Lighting

A lighting plan will be provided and the Arsenal's own technical director will be on site to oversee the installation. The quintet must have a music stand lamp for each of them, as this will be the only light they will have for most of the concert.

- 7 lekos projectors with zoom lenses (FOH)
- 28 X 36° lekos units
- 4 booms
- 13 fresnels 1000w with barn doors
- 5 floor-stands
- 36 dimmers 2.4kw
- 1 lighting board, 48 channels with sub masters
- 3 gobo-holder

Scenery/Props

The company tours with flight cases containing all its gear.

We require a playing area of 30 feet deep (10 meters) by 30 feet wide (10 meters) and 15 feet (5 meters) high.

A transparent projection scrim covering the stage opening will be hanged as close to the main curtain as possible.

Crew

The company travels with 12 people: 1 artistic director, 1 actress (Alice), 2 soloists (electroacoustic table), 5 musicians (quintet) : flute, clarinet, french horn, trombone, piano and 1 technical director/lighting operator, 1 sound operator and 1 video operator.

Minimum local crew required

A local crew for set up and focus is usually governed by the needs of the schedule and local union agreement.

Set up 5 hours : 1 stage manager, 1 sound technician, 3 technicians
Show 1 hour : 1 stage manager, 1 sound technician
Striking 1 hour : 1 stage manager, 2 technicians

Transportation

Local transportation for the company may be required to accommodate l'Arsenal à musique's personnel and equipment to and from the airport, hotel and venue.

Dressing Rooms

4 clean, well lit dressing rooms equipped with mirrors, make-up tables, steam iron, ironing board, chairs and clothes-hanging facilities. Bottled water, tea and coffee, muffins and fresh fruits should be made available for the cast and crew (12 people).

L'Arsenal provides

1 projection scrim, 1 video projector, 1 DVD player, 3 wireless microphones, 5 in ear monitoring sets, 1 CD player, 1 electroacoustic table, 2 flutes, 2 clarinets, 1 french horn, 1 trombone, 1 Yamaha P130 piano and all cables.

The local presenter is requested to forward the appropriate technical information on the performance hall at least one month prior to the engagement.

Due to union and copyright regulations, audio or video recording and picture taking are strictly prohibited, unless the artists give permission in advance.
